NO. 288

VOLUME FORTY-NINE

HEART ATTACK FATAL TO JAS. BARNETT

SON OF REELSVILLE RESIDENT
DROWNED IN BIG WAL-
NUT CREEK

GENERAL SERVICE TUESDAY

Coroner Said Deceased
Apparently Topped From Bank
In Waters Of Creek Sunday.

Body of James Barnett, 64
old timber buyer and resident
of Reelsville, was found Sunday af-
ternoon, about 1:30 o'clock, partly
drowned in the water of Big Wal-
nut creek, a short distance down the
road from the county road bridge
that stream, in Reelsville. The
body was made by two boys,
one from Manhattan and one from
Reelsville, who, with their parents,
were visiting in the town.

James Barnett, it is said by Coroner
Shannon of Greencastle, had
fallen from a heart attack, to which
he was subject, apparently at the
time of the bank overhanging the
stream, and had toppled over into
the water with his head and the upper
part of his body under the water. He
had been dead several hours when
he was found.

Barnett had been married
and had survived by his second
wife, Mrs. Levena Barnett, and eight
children, five of whom were by his
first marriage: Roy, Reelsville; Isaac,
Greencastle; Otto, Reelsville; M-
Browning, Greencastle rural;
Mrs. Elizabeth Voelz,
Greencastle. The children by the
second marriage are 5, 7 and 8 years
old. There are 11 grandchildren.

Barnett was the son of Joseph
Mahala Barnett, pioneer resi-
dent of Putnam county. He spent his
life in the county. Mrs. Emma
Barnett, although is a sister.
Funeral services will be held in the
Shannon Methodist church Tuesday
afternoon, 2 p. m., Central Standard time,
in charge of the Rev. Fred Wintle.
Burial will be in the Reelsville
cemetery.

Friends may call at the Shannon
home in Greencastle at any
time preceding the time for the re-
mains of the body to Reelsville for
funeral services.

Hecko Sets Record At Bankers' Shoot

POLICEMAN FROM THIS
CITY ESTABLISHES NEW
PISTOL MARK

George Hecko, state policeman
from Greencastle, won top honors by
highest in pistol this year at
State Bankers' shoot at Fort
Harrison Sunday. At the
time he established a record in
which has never been equalled
in 15 years history of the state.
His score in pistol was 208
out of a possible of 210. He also
scored second highest in rifle with
195 out of a possible of
200. Scoring in both pistol and rifle
he won the highest aggregate
score of the shoot. This is quite an
achievement as the shoot was composed
of 200 contestants among which
were some of the finest shots in the
state.

Plants and peace officers from
all county participating in the
shoot were as follows: George Hecko,
Hirt, LeRoy Brown, Logan
Hart, Lloyd Houck, Clovis Mad-
greencastle; Otto Rivers, E. E.
Rivers, D. A. Flock, W. E. Over-
man, Russellville.

THE VFW COMMANDER TO VISIT THIS CITY

Commander Lacy of the
American Legion of Foreign Wars organiza-
tion will come to Greencastle Thurs-
day to attend a meeting of veterans
of the order. The meeting will
be held in the Everett Jones drug
store and its purpose is to revive
the M. Lee camp of the V. F. W.
which was strong in the county.
The meeting will open at 7:30 in the
evening. There are 150 or more men
in Putnam county who are
eligible to become members of this
organization, it is said. Membership
has been extended to former soldiers in
the United States in
the country outside of the United

City Librarian To Resign Post

MISS GENEVIEVE O'HAIR WILL
BECOME ASSISTANT STATE
LIBRARY SUPERVISOR

The board of trustees of the Green-
castle consolidated schools, acting
also as trustees of the consolidated
library of Greencastle city and
Greencastle township, has before it
the resignation of Miss Genevieve
O'Hair as librarian, effective Sep-
tember 29. Miss O'Hair presented
her resignation at the last regular
meeting of the board. She will be-
come assistant supervisor of library
work of the state, a position of re-
sponsibility, which was offered her
because of the record for efficiency
which she has made in her work in
the Greencastle situation.

Miss O'Hair will remain in charge
of the library until the first of next
week and members of the board hope
to be able to announce the permanent
appointment of a librarian to suc-
ceed her, by that time.

The matter of filling the place is
made more difficult than it has been
in the past by the coming into opera-
tion, January 1, of a law passed by
the Legislature of 1941, in which a
state library certification board is
established, which is authorized and
required to prescribe and define the
grades of public library service and
to prescribe any qualifications which
persons shall possess who are em-
ployed in each of such grades of public
library service.

The law states after January 1,
1942, it shall be unlawful for the
board of any public library to ap-
point any one as librarian or assis-
tant "any person who does not hold a
certificate of a suitable and requisite
grade." Any applicant is to be ex-
amined by the state board.

Miss Virginia Rogers, formerly as-
sistant librarian under Miss O'Hair,
recently resigned and has a position
in Indianapolis, and the board tem-
porarily appointed Miss Barbara
Wright as assistant.

There are applications before the
board which are being considered. It
is the board's desire to name, now, a
librarian who shall qualify under the
new law to continue in the position
after January 1, in order to avoid
making another change in the posi-
tion at that time.

DIES FROM BURNS

SANTA ANA, Cal., Sept. 22—
(UP)—Funeral services were plan-
ned today for Mrs. Christine Con-
niff Lee Cortez, 33, divorced wife of
film actor Ricardo Cortez, who died
yesterday from burns received when
she fell asleep while smoking a ciga-
rette.

Cortez went to her side as soon as
he was informed she had been burn-
ed.

LEGION MEETING

The American Legion Post No. 58
will meet in regular session Monday
evening at 8 o'clock. The executive
committee will meet at 7:30 o'clock.

CLUB WILL HOLD FALL OUTING THIS EVENING

The Greencastle Conservation Club
members and guests will enjoy the
annual fall outing of the organization
tonight at the Grant hotel. Several
hundred Putnam county nimrods are
expected to attend the event and a
good time is planned for all.

College Plans Radio Programs

DEPAUW UNIVERSITY WILL BE
"ON THE AIR" THREE
TIMES WEEKLY

Organization of the DePauw
broadcasting unit has been planned
and completed on the lines of big-
time broadcasting stations and is
now ready to operate for the cur-
rent year, according to Dr. Paul J.
Fay, head of the unit.

Having arranged for three broad-
casts per week over station WIRE,
Indianapolis, the DePauw station
now has its first broadcast of Sep-
tember 30 in rehearsal.

The personnel of the station is
composed of an advisory committee
and a studio staff. The members of
the advisory committee, who will
criticize and advise on the policies
of the station, are Dr. Fay, Profes-
sor Edna Tyne Bowles, Professor
Jerome C. Hixson, Professor Harold
T. Ross, Dean G. Herbert Smith,
Professor Vernon Van Dyke, Charles
Landis, and President Clyde E. Wild-
man, ex-officio member.

The studio staff will have charge
of the actual production and opera-
tion of the broadcasts. This staff in-
cludes Dr. Fay, studio director;
George F. Totten, production man-
ager; Wisner Kinne, script director;
Edna Tyne Bowles, music director;
Jonathan S. Lee, technical director;
and James Argue, secretary of the
staff.

The DePauw unit will broadcast
three regular programs per week. At
4:45 p. m. on Tuesdays programs of
music and light entertainment will
be presented. At 10:15 p. m. on
Thursdays round table discussions
and lectures will be broadcast. For
the third program each week, the
station will offer devotional services
at 7:30 Sunday mornings.

Most of the programs will be
broadcast from room 318, Harrison
Hall. Spectators will be admitted to
these broadcasts with admission tic-
kets which can be obtained from
Dean Smith's office.

Some of the broadcasts will origi-
nate from the smaller studios of
Harrison Hall where no spectators
will be admitted. The Sunday devo-
tional services will be transcribed,
according to Dr. Fay.

Lines are now being laid for
broadcasts from Meharry Hall and
Blackstock Stadium. This will allow
the broadcasting of special Meharry
Hall programs and also athletic
events from the stadium. The dedi-
cation of the new Blackstock Stadi-
um October 4, will be presented over
these new lines.

LOCAL WOMAN UNABLE TO OBTAIN PASSPORT

Mrs. Ruth McCullough Mack, who
came from her missionary work in
the Philippines last spring, with her
children, to spend her vacation here
with her parents, Mr. and Mrs. El-
mer McCullough and who has been
unable to secure a passport from the
United States government to permit
her to return to her work in the
South Pacific, is now teaching three
courses in English and English Com-
position at Indiana University. Her
students are sophomores and fresh-
men. At the same time she is taking
graduate work herself, directed to-
ward the degree of doctor of philoso-
phy. Mrs. Mack can secure a pass-
port for herself to the Philippines
but none will be issued to enable her
to join her husband in China.

Louisiana In Storm's Path

HURRICANE ROARING OUT OF
GULF; WORST DISTUR-
BANCE OF SEASON

NEW ORLEANS, La., Sept. 22.—
(UP)—The first tropical storm of
this year's hurricane season was
roaring toward the Louisiana coast
early today at destructive velocity,
with the south Louisiana bayou coun-
try in its direct path.

The weather bureau reported at 2
a. m. (4 a. m. EDT) that the center
of the storm was in the gulf 170
miles north-northwest at a velocity of
eight to 10 miles an hour, which
would bring it to the coastline of
Terrebonne Parish by dusk tonight.
The bureau said the velocity at the
center was "of hurricane (90 miles
an hour) or near hurricane inten-
sity."

Hurricane storms dissipate rapidly
when over land, but the flat swampy
ground of Terrebonne Parish would
be calculated to permit it to dig far
inland with its velocity little dimi-
nished. In its direct path, 50 to 100
miles inland, were the towns of the
French Acadian bayou country—New
Iberia, Houma, Thibodaux, Albe-
marle, Napoleonville. New Orleans
was expected to catch the fringe of
the wildly gyrating winds.

The weather bureau warned all
shipping to exercise caution, predict-
ing that there would be winds of gale
force (60 miles an hour) this morn-
ing all the way from St. Marks, Fla.,
to the west Louisiana coast. It warn-
ed all persons in low, exposed places
from Terrebonne Parish to Lake
Pontchartrain on the east, which in-
cludes the Mississippi river banks be-
low New Orleans, to seek safety else-
where. It reported tides consider-
ably above normal and predicted that
they would rise still higher. Storm
warnings were displayed from St.
Marks to Sabine, Tex.

But residents of the low-lying gulf
parishes, which are sparsely settled,
were leaving even before the weather
bureau issued its warning. At Point
a la Hache, seat of Plaquemines
Parish, across the river below New
Orleans from Terrebonne Parish,
residents had stacked their furniture
on second floors, anticipating that
the tide might spill over the levee.
Many had fled to New Orleans and
approximately 20 persons spent the
night in the courthouse. The wind
was rising steadily and there was a
heavy rain. At St. Bernard (parish)
courthouse, the residents of Shell and
Delacour islands—700 to 800 persons
—had taken refuge.

STEWART RITES HELD

Funeral services for M. E. Stew-
ard, well known Marion township
farmer who died Friday, were held
Sunday afternoon from the Fillmore
Methodist church in charge of the
Rev. Warne. Burial was in the New
Maysville cemetery.

20 Years Ago IN GREENCASTLE

A mock wedding was the principal
event at the meeting of the S. C. C.
at the home of Miss Lelia Talbott.
Club members participated.

At the fall meeting of the Indian-
apolis Presbytery in Greencastle the
Rev. V. L. Raphael was named dele-
gate to the meeting of the state
Synod.

Miss "Christine" Detrich was cho-
sen secretary of the high school
chorus.

A truck owned by the Ideal C-
ers turned over, the accident being
caused by a "bended" radius rod, the
newspaper said.

SEPTEMBER COURT TERM OPENS HERE

CIRCUIT JUDGE MARSHALL D.
ABRAMS PRESIDES AT
MORNING SESSION

PUTNAM ATTORNEYS LISTED

Opening Day Devoted To Hearing Of
Motions And Setting Of
Trial Dates

The September term of the Put-
nam Circuit Court convened this
morning with Judge Marshall D.
Abrams on the bench, and all court
attaches in their positions. These in-
cluded Miss Mary Riley, court re-
porter; Homer C. Morrison, clerk;
Rexell A. Boyd, prosecuting attor-
ney; Robert D. Patton, sheriff; and
Clovie Madden, deputy sheriff.

The docket names 22 members
of the Putnam county bar, who,
listed alphabetically—as they appear
on the docket—are John H. Allee,
Rexell A. Boyd, Theodore Crawley,
Andrew E. Durham, J. Frank Dur-
ham, Wilbur S. Donner, C. C. Gillen,
Francis N. Hamilton, F. S. Hamilton,
James P. Hughes, James G. Hughes,
John H. James, Glenn H. Lyon,
Charles McGaughey, M. J. Murphy,
Robert H. Newgent, W. T. O'Neal,
Frank Stoessel, W. M. Sutherland,
Roy C. Sutherland, Fred V. Thomas,
Albert E. Williams.

The court docket for this term of
court is slightly larger than it was
for the preceding term, the increase
being in the number of civil cases.
The list of pending state cases does
not appear on the docket, nor did it
appear in the docket of the preceding
term.

The opening session of the court
was devoted to the hearing of mo-
tions by attorneys and the setting of
trial dates.

"Suicide Boats" Sink 3 Vessels

ITALIAN BOATS SLIP PAST
BRITISH GUNS INTO HAR-
BOR AT GIBRALTAR

ROME, Sept. 22.—(UP)—An ex-
traordinary war communique said to-
day that Italian "suicide" boats had
slipped into the harbor of Gibraltar
under the big guns of "the rock" and
had sunk three ships and damaged a
fourth.

The communique said that a 10-
000-ton tanker, a 500-ton tanker and
a 6,000-ton munitions ship were sunk
and added that a vessel of 12,000 tons
was damaged and "must be consid-
ered lost."

The assault units that made the
daring raid were said by reliable
quarters to be similar to those used
in an attack on the island of Malta
on July 25.

The units are torpedoes with a
detachable stern that becomes an
outboard motor upon being unhooked.
The "suicide" units usually carry
two-man crews, who cut loose after
steering the torpedo at high speed
close to the target.

The extraordinary communique re-
ferred to the craft only as naval "as-
sault" units.

Gibraltar port, one of the bastions
of British naval power, is one of the
most closely guarded in the world
and lies under the big guns of the
rock fortress protecting the entrance
to the Mediterranean.

British warships have used the
port constantly but usually only for
brief periods because the area is vul-
nerable to air attack, but presum-
ably only small enemy naval units
could attack the port.

PUTNAM HORSES SHOWN AT McCABE'S SUNDAY

Putnam county saddle horses were
well represented at the annual "Hoss
Picnic" held at the John McCabe
farm near Crawfordsville on Sunday.
Several Putnam representatives were
also awarded ribbons and premiums
in the competition, which was among
the keenest that has been seen in
this section during the recent sum-
mer. Close to 150 horses in all class-
es were entered in the big parade
which was staged at the start of the
show.

B.P.O.E. NOTICE

There will be a meeting of the
Greencastle Elks at the lodge at 8
p. m. on Tuesday.

War Flashes

BERLIN, Sept. 22.—(UP)—Ger-
man front dispatches reported today
that despite attempts of four encir-
cled Russian armies to fight out of
the Kiev-Poltava pocket had been
crushed and informants here intimated
that a German drive into the
Crimean peninsula was imminent.

WASHINGTON, Sept. 22.—(UP)—

American supplies already are be-
ing shipped to Russia over the north
Atlantic as well as the Pacific, official
sources revealed today.

BERLIN, Sept. 22.—(UP)—Sub-
marines have sunk 13 heavily-laden
ships totaling 82,500 tons from two
Atlantic convoys, the high command
said today in a special communique
from Adolf Hitler's headquarters.

WASHINGTON, Sept. 22.—(UP)—

Immediate American assistance to
Soviet Russia's armies will be ac-
complished by diverting airplanes,
tanks and other weapons from the
British to the Red forces, it was in-
dicated today.

MOSCOW, Sept. 22.—(UP)—The
Red air fleet, cooperating with army
units, hammered furiously at enemy
columns to break up German thrusts
into the Ukraine today as official
sources charged Bulgaria with plot-
ting to provide a base for a Black
Sea attack on Russian oil fields.

38th Division Will Not Move

REPORTS OF ARMY CAMP AT
COLUMBUS, INDIANA,
ONLY RUMORS

With The 38th Division In Louisi-
ana, Sept. 22.—Persistent rumors
that the 18,000 men of the 38th Di-
vision of which many Putnam boys
are a part, would be moved to a
new training camp near Columbus,
Ind., at the close of the current
maneuver period were declared to be
without foundation today by
Major General Dan I. Sultan, Di-
vision commander.

"I dislike being a source of disap-
pointment to many of our men who
had hoped to be transferred to a
base camp in the Division's home
area but I know of no plan to move
the Division to any other station,"
General Sultan said. "Anything can
happen in the army but the only
move definitely scheduled for us is
that the entire Division will return
to Camp Shelby as soon as practic-
able after the close of maneuvers."

"The 38th Division will return to
its old place in the Fifth Army
Corps about October 1, and will
continue its training program at
Camp Shelby as a unit of that corps.
So far as I know we will not take
part in the late fall maneuvers in
North Carolina."

Further denial of the rumored
move to Indiana came from Melvin
Lostutter, editor of the Columbus
Republican, in a letter to the editor
of The Reveille, official Camp Shel-
by newspaper.

"War department officials insist
that this camp has never been au-
thorized beyond the planning survey,"
Mr. Lostutter wrote. "There never
has been any statement as to what
troops will be housed here when, as
and if the camp is built. No signs
saying 'Future Home of the 38th
Division' stand on the proposed camp
site unless some wag at some time
or another erected one."

AUTUMN ARRIVES TUESDAY

The government weather indica-
tions of this morning, for tomorrow,
intimate that Autumn will be ushered
in with a continuation of the Sum-
mer-like weather of the last few
days. "Continued fair and warm to-
day and tomorrow" said the weath-
erman, and he may know.

Autumn comes in at just about
daylight Tuesday morning—4:33.
Central Standard Time. Autumn
will prevail from tomorrow morning
until December 21, when Winter will
come in.

It is interesting to note a prognos-
tic of an advertising almanac
concerning the weather that, so it
says, will prevail tomorrow. "Cool
spell. Clearing weather and cooler.
Killing frosts in New England and
the Northern Plains states. 23-24,
set strawberry plants, plant cucum-
bers, beans and lettuce." The 23rd is
noted as a "best fishing day." "Prune
trees, 20th to 25th."

Today is the Hebrew New Year,
known as Tishree Rosh Hashanah.
Wednesday will be the Hebrew Fast
of Guedalyah.

CAPTURE OF KIEV COSTLY TO GERMANY

REDS CLAIM 150,000 NAZI SOLD-
IERS KILLED IN DRIVE
ON CITY

MANY DIVISIONS HARD HIT

Russians Report Capturing Of 32
Villages In Counter-Attacks
On Central Front

MOSCOW, Sept. 22.—(UP)—Rus-
sia asserted today that the capture
of Kiev had cost the Germans 150-
000 men, that some German divi-
sions had lost 40 per cent or more of
their effectiveness in vain attacks on
Leningrad, and that the Russians
had recaptured 32 villages and many
German fortified positions in coun-
ter-attacks on the central front.

"After many days of fierce fight-
ing our troops evacuated Kiev," a
war communique said.

Behind this brief announcement,
dispatches said, there was a story of
ferocious battles which had lasted
for days and still continued, with the
Russians seeking to exact the high-
est possible toll for each yard of
German gain.

The equivalent of 10 German di-
visions, or 150,000 men, had perished
at Kiev before the Germans threw
15 fresh divisions into the attack, it
was asserted.

Dispatches from the Leningrad
front said many German divisions
had lost 40 per cent of their effec-
tiveness in killed or wounded and it was
asserted officially that the 30th
German infantry division and a pick-
ed SS storm troop division has lost
nearly 50 per cent.

It was asserted that the Russians
had recaptured an important town
south of Leningrad.

On the central front, it was as-
serted that the 34th and 71st Ger-
man infantry divisions had been
smashed in counter-attacks which re-
gained for the Russians 32 villages.

A communique said German losses
on the Leningrad front were so
heavy that even SS divisions, the
best in the German army, now con-
tained youths of from 17 to 19
years who had resided in Poland, Ru-
mania and Yugoslavia and had re-
ceived only two months' training.

A Red Star dispatch reported that
Odessa was now stronger than when
the Germans first attacked it six
weeks ago and that in the last few
days the Germans had even been
thrown back.

DEMO EDITORS UPHOLD
ROOSEVELT'S POLICIES

FRENCH LICK, Ind., Sept. 22.—(UP)—The aftermath today of the Indiana Democratic Editorial Association's annual pow-wow was the initial crack by Hoosier Democrats at the isolationist shell enveloping the state.

By resolution and by the words of the conclave's principal speaker, Postmaster General Frank C. Walker, President Roosevelt's policies were upheld and an inferential blow was struck at the state's Democratic congressmen who have voted against the administration.

"The war is upon us," Walker said at the climax of the session Saturday night and the 1,000 editors and Democratic workers low and high hailed his plea for a solid wall behind the President.

The postmaster general said that as long as there was a choice, interventionists and isolationists performed a service by the diffusion of their views, but that with war "upon us" there was but one course.

His words were presaged earlier by a resolution of the Democratic state committee which urged Hoosier congressmen "to support all legislation needed for a continuation of President Roosevelt's policy."

DEATH OF A MUSIC TEACHER

Frederick Harold Farmer, 36 years old, died at an Indianapolis hospital Saturday following a brief illness, and funeral services were held this afternoon at 1 o'clock at Brick Chapel, in charge of Dr. Claude M. McClure, pastor of the Gobin Memorial Methodist church of Greencastle. Mr. Farmer was a son of Mrs. Pansy Shoemaker Farmer of Lafayette. The family formerly lived in Monroe township in Putnam county. He graduated from the Bainbridge High School in 1924 and from the DePauw School of Music in 1929. He taught public school music in Maryland and taught violin in Indianapolis and Lafayette and directed church orchestras in the latter city.

Besides the mother, he is survived by a sister, Mrs. Walter Hawkins of New York City.

DePauw News

Dr. Glen W. Giddings, assistant dean of men, told the freshmen of DePauw University at the freshman chapel Monday that for a successful college career the budgeting of time was essential. If a freshman, Dr. Giddings said, allows so much time for study, recreation, necessities of living and extra-curricular activities, he will not find himself staying up all night to cram for an examination or watching his grades tumble.

The average freshman spends about nine and one half hours a day in eating and sleeping, approximately five hours daily in classwork and study, two hours daily in personal care or outside work, and a half hour daily in active recreation, and at least three hours a day in passive recreation or loafing. The student who lives thus will be the average student—and very likely the mediocre one.

Monday's chapel was the first in a series of orientation chapels. The freshmen are required to attend these chapels which are aimed at helping them with first year problems. Dr. Giddings is in charge of the series.

Mr. and Mrs. J. B. VanHorn were in Indianapolis Sunday to visit Mr. VanHorn's nephew, James D. Tate of Martinsville, who is recovering from a major operation at the Methodist hospital. Mr. Tate is employed by the Northern Indiana Power Company and is well known in Greencastle.

Word has been received of the recent death of Mrs. William Knoll, a former resident of Cloverdale, who died last week at her home at Almiria, Arkansas. Those who went to Almiria from Cloverdale were Ira Knoll, Mrs. Florence Kennedy and Dora Routt.

Miss Virginia R. Gardner, daughter of Mr. and Mrs. Walter Gardner, West Liberty St., was heard by her many friends here Saturday, over radio station WIBC, Indianapolis, on Hoosier request time, where she was interviewed for ten minutes by Jack Morrow, radio announcer.

Among those attending the "Hoss Picnic" at the John McCabe farm at Crawfordsville Sunday were Miss Ina Cox, Miss Norma Hill, Mr. and Mrs. Lee Williams, Mr. and Mrs. Bert Cooper, Miss Nancy Cooper, Mr. and Mrs. Kent Lenzen, Mr. and Mrs. Don McLean, Mr. and Mrs. Richard Sandy, Miss Peggy Sandy, Miss Elizabeth Stoner, Dr. and Mrs. W. J. Krider, Mr. and Mrs. John Earnshaw, Dr. and Mrs. T. A. Sigler, Mr. and Mrs. Bernard Handy, Miss Mary Ann Bills, Dewey Wood, Otis Matthews, and Miss Elizabeth Rariden.

THE WAR SITUATION

(By United Press)

It was three months ago today that Hitler's armies smashed into Russia, and as the fourth month of the war opens, the Russians appear to be in a more difficult position than at any time during the campaign.

Allied military observers admitted Russia's situation to be perilous but did not concede that it is hopeless. The Russians still are holding well in the Leningrad area, at Smolensk fronting Moscow, and at Odessa, the Black Sea stronghold far to the west of the advanced German lines.

Otherwise, the position in the Ukraine is distinctly unfavorable to the Russians. The situation in the region east of Kiev, which the Russians evacuated, is none too clear, and the sweeping, conflicting claims of Berlin and Moscow do not tend to clarify it.

The German statement that 150,000 Russians have been made prisoner does not necessarily mean that they are physically in German custody, or that they have laid down their arms. It could mean that they are pocketed between the Germans at Kiev and the two German armies which affected a junction from the north and south, 125 miles east of Kiev. They still might try to fight their way out.

BOSTON BEANS

A real Boston bean casserole would taste mighty good one of these fresh fall days. With the genuine oven-baked beans that come in tins, you can very quickly prepare one that brings back memories of the genuine long-baked kind Mother used to bake in her own oven. Just heat them in the oven as they are. Or sometimes for variety prepare them other ways. The following recipe will lead

you to think of other quick combinations with oven-baked beans.

Boston Bean Casserole with Pineapple and Link Sausages

Using—
2 medium (18-oz.) cans oven-baked beans, Boston-style.

Turn one can of the beans into casserole. Pour over it—
1 cup drained pineapple chunks, drained.

Pour over this the remaining can of beans and top with—
1 dozen link sausages which have been partially cooked.

Bake in a hot oven (400° F.) 30 minutes or until thoroughly heated and sausages are cooked.

Short ribs of beef are always cooked by braising or stewing, since they are a not-so-tender cut of meat. That means you use either water or a sauce for moist cooking. Spicy, flavor-rich tomato ketchup makes a grand braising sauce for this inexpensive meat. Use it as in the following recipe:

Braised Short Ribs of Beef

Have—
3½ pounds short ribs of beef.
Slit meat slightly between bones for quicker cooking, then brown.

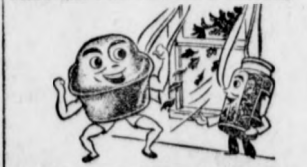

Add—
¼ cup tomato ketchup
¼ cup pure cider vinegar
1½ cups water

2 teaspoons Worcestershire sauce
1 cup chopped celery.

Simmer in covered pan for 2 hours or until done. Thicken sauce with flour if desired after removing meat from pan. Serve hot with sauce and parsley garnish.

When you feel the first sensation of Autumn chill, you can start to think about serving foods that are spicy—for the fall and winter months give you days when foods with tangy flavors are in their heyday. Below is a recipe for Mince-meat Cinnamon Muffins to help you start this season with a flourish.

Mince-meat Cinnamon Muffins

Prepare muffin tins by placing in each of 12—

½ teaspoon butter
½ tablespoon brown sugar
1 tablespoon prepared mince-meat.

Sift together three times—
2 cups sifted all-purpose flour
2 teaspoons baking powder
1 teaspoon cinnamon
½ teaspoon salt.

Combine—
1 beaten egg
1 cup milk
4 tablespoons butter, melted
¼ cup brown sugar.

Add this mixture to the dry ingredients all at once and stir quickly until the dry and liquid ingredients are just mixed and have a lumpy appearance. Then quickly pour into muffin tins filling two-thirds full. Bake in a hot oven (425° F.) 20 minutes.

THE RECORD.... Facts That Concern You

No. 31 of a Series

SOME PEOPLE NEVER LEARN...

but most of them do!

There are always a few "smart alecks" who want to stand up and rock the boat. But most people try to keep out of trouble.

The same sort of thing happens in the retailing of beer. The great majority of beer retail establishments are clean, law-abiding and wholesome. But occasionally you may find a "smart aleck" retailer who violates the law or permits anti-social conditions.

We of the brewing industry want these anti-social retailers wiped out! Because they imperil your right to drink good beer...and our right to make it.

We want to protect the benefits that beer has brought to Indiana—employment for 14,831 persons since relegalization, an annual payroll of \$14,054,194 and taxes of \$1,376,132.84 paid to the state last year.

This state, too, has an important stake in Beer's purchases from over 100 industries supplying the brewing industry with materials, equipment and services.

You can help us in our public-spirited program by (1) patronizing only reputable and legal beer establishments and (2) by reporting any irregularities you may see to the proper authorities.

PLANES TEST BOMBS

By Richard C. Hottelet
BARKSDALE FIELD, Shreveport, La., Sept. 22.—(UP)—Eighty-one army and navy planes loaded with real bombs today raid this area to test their destructive effectiveness on 100 over-age tanks.

A hurricane hovering off the Louisiana coast was not expected to delay the air arms' biggest maneuver with real ammunition. Shreveport is more than 200 miles from the coast and even should the hurricane sweep inland it probably would expend its force before reaching here.

Flying fortresses, dive bombers, medium bombers and the army's fast little "Aircobra" P-39 fighters will participate in the raid, a "side-show" feature of the army's greatest peacetime maneuvers.

An attack by parachute troops also will be demonstrated, although the parachutists will not be endangered by use of real ammunition. Likewise the tank targets of the bombardiers will be stationary and will not be manned.

This live bombing, as have most of the features of these maneuvers, parallels training that the German army and Luftwaffe carried on for years before the outbreak of the war.

A Luftwaffe officer told me in Berlin last year how entire towns in Poland had been evacuated after the conclusion of the Polish campaign and had been turned over to student officers to "capture" under battle conditions.

The Germans also have found live bombing practice extremely valuable. "It is the only way a bombardier can really get the feel of his mission," German airforce instructors told me.

I saw the results of this precision training in Belgium and northern France where in many places there were bomb craters exactly between the rails of a railroad line. I saw bomb craters next to roads. The explosions from the bombs that made those craters had swept all opposition forces off the road but left the road itself undamaged for approaching German forces.

While high army officials attended the bombing display, the second and third armies moved into position along a new "front" in Louisiana where the second phase of the maneuvers will begin early Wednesday morning.

It was understood that this new campaign will be built around the red second army's defense of Shreveport, its new maneuver headquarters.

There will be an all day meeting and homecoming at Union Valley church near Belle Union the first Sunday in October; also a dedication service as the church has been remodeled and redecorated. Everyone welcome.

Accidents Take Toll Over State

8 KNOWN DEAD AS RESULT OF MISHAPS DURING PAST WEEKEND

By United Press

At least eight persons died in traffic accidents in Indiana was a sharp weekend, but the total was a sharp decline from fatalities reaching into the 20's over every weekend since Labor Day.

The surcrease from death followed pleas of Governor Schriker and state law enforcement bodies last week that the previous staggering totals must end.

Two persons were victims of hit-run drivers. Preston Huddleston, 50, of near Jeffersonville, was struck by an auto as he walked along highway 62 north of the city Saturday mid-night. Authorities still were seeking the driver.

At Mishawaka Saturday, Francis McClurg, 16-year-old high school student, was struck down and killed as he pedaled his bicycle along a Mishawaka street. Authorities at South Bend held John Balyeat, 25, Oskeloa, as the hit-run driver.

Sunday, Virgil Jefferies, 19, Marion, was injured fatally when the auto he was driving was struck by a Nickel Plate freight train at a Marion crossing. At Waverly, William Lenard, 29, Bloomington was killed when the motorcycle he was riding swept off a curve on road 37 and crashed into a fence.

Six-year-old Michael Edwards of Bedford died early Sunday of injuries suffered in a highway crash in which his grandmother, Mrs. Sadie Zimmerman, 72, was killed instantly and four other members of his family injured. The accident occurred Saturday on highway 50 near Bedford when the car driven by the boy's father, Robert Edwards, sideswiped another auto and overturned.

Other dead Saturday: William Fleeherty, 31, Seymour,

killed when the truck he was driving was struck by a Pennsylvania railroad train at a crossing south of Seymour.

Betty Jo Eckart, 6, Jasper, injured fatally when she was knocked from her bicycle on road 164 by an automobile driven by Albert Schnell of Jasper.

ACTORS IN BRAWL

HOLLYWOOD, Sept. 22.—(UP)—Jimmy Fidler, the radio's expert on cinema subjects, and Errol Flynn, the hero of many a movie war, sought legal advice today to see who'd sue who for starting Hollywood's bloodiest cafe battle in years.

All the blood came from the veins of Flynn. He charged that Fidler's wife, Bobbe, stabbed him in the ear with a fork. Movie celebrities at surrounding tables in the club Mocambo verified his story. Fidler's use of her fork as a fencing foil.

"I didn't see her with any fork," Fidler insisted. "I didn't even see Flynn when he hit me. He hit me from behind. And I don't even believe there was a fork on our table. I was drinking coffee and my wife was having a creme de menthe rappe. She was drinking it through a straw. Maybe she used the straw on him."

Flynn, who claimed that a fraction of an inch more with the fork might have ruined the face that earns him \$4,000 a week, retorted: "I admire Mrs. Fidler. God bless her. She had the courage to try to defend her husband. He didn't seem to want to defend himself."
